## Visa Account Updater Service

### Right to Opt-Out Notice

FAST is providing this disclosure to all members with Visa credit and/or debit cards.

Visa requires all financial institutions to participate in their Visa Account Updater (“VAU”) Service. If you have previously given certain merchants your Visa debit or credit card information to keep on file, such as for recurring payments, then this service applies to you. Examples of recurring payments would be monthly payments made to utility companies, cell phone companies, gym memberships, or for various subscriptions, etc.

When your card expires, or is lost or stolen, and a new card is issued, the information the merchant has on file will no longer match the information on your new card. This could lead to a disruption of your recurring payment service and an interruption in the products/services you receive from said merchant. The VAU Service will allow participating merchants to automatically receive your updated card information and will ensure automated payments are continued without interruption.

Please, be advised merchants are not required to participate in the VAU Service. Only participating merchants will receive the updated information and can choose the frequency at which they check for updated payment information. **To avoid service disruption, you should check with the merchant to ensure your card information has been updated.**

If you wish to opt-out of this VAU Service, please complete the form below and return it to any of our branches. It is important you list each card number you would like to exclude from this service. No action is required if you wish to participate in the VAU Service.

YES, I would like to opt-out of the VAU Service for the following accounts:

\_\_\_\_\_  
Last four digits of Card #

**X**  
\_\_\_\_\_  
Signature

\_\_\_\_\_
