The elections will not be conducted by ballot and there will be no nominations from the floor when there is only one nomination for each position to be filled. Nominations for vacancies may also be made by petition by a minimum of 20 members and a maximum of 500 members. Each nominee by petition must submit a statement of qualifications and biographical data to the attention of the nominating committee (see below) appointed by the board of directors. A signed certificate from the nominee(s) stating that they are agreeable to nomination and will serve if elected is also required. Nominations cannot be made from the floor unless insufficient nominations have been made by the nominating committee or by petition to provide for one nominee for each position to be filled, or circumstances prevent the candidacy of one nominee for a position to be filled. Only those positions without a nominee are subject to nominations from the floor. In the event nominations from the floor are permitted and result in more than one nominee for a position to be filled, when nominations have been closed, tellers are appointed by the chair, ballots are distributed, the vote is taken and tallied by the tellers, and the results announced. When only one member is nominated for each position to be filled, the chair may take a voice vote or declare each nominee elected by general consent or acclamation at the annual meeting.
